Download e Tutorial: AutoCAD PC.2017-18 WIHL season The 2017-18 Women's International Handball League (WIHL) season was the 18th season of the Women's International Handball League. The regular season took place between 12 November 2017 and 20 February 2018, with the post-season continuing from 24 February to 24 March 2018. On 24 February 2018, LB1 Balingen-Wehrheim secured the title in a relegation/promotion round, defeating SVM Holsorgen-Allmennen 9-8 in the first game, which sent LB1 Balingen-Wehrheim into the 2018-19 Women's EHF Cup. Table Fixtures and results All times are local (UTC+2). Regular season League Table Positions by round The following table lists the positions of teams after each week of matches. In order to preserve the distinction, teams are not supposed to be renamed, though for clarity, the market share of each team can be determined from the number next to each team name. References External links Category:WIHL seasons WIHL WIHLMy ambition to be healthier in mind, body, heart, and soul, has proven to be difficult. Only being able to spend at least 30 minutes a day, and only on alternating days, was too few and not enough time to do all the things that I enjoy, it seemed. But, little by little I am getting there. Mostly, it is a matter of being more deliberate and deciding to make healthy choices from the start of the day. I have been doing so, not perfectly, by any means, but slowly, and with awareness of more options. I am thinking about the food that I eat, and how it affects me, and I want to make it more healthy. I want to become more aware of and make more conscious choices. But most of all I am trying to be kind to myself, and to remember the all the good things that I do, every day. Adopting this goal has taught me many things. It has taught me that: I don't have to go all the f678ea9f9e
